

Getting Around

Plan your travel and buy tickets with the **HSL** app for the Helsinki public transport system (see ClojuTRE web page).

From Airport

Local trains I and P operate between (under) the Helsinki-Vantaa airport (HEL) and Helsinki city centre. You will need a three-zone (ABC) ticket, which you can get using the HSL app, from HSL ticket machines, or shops and kiosks at the airport. *Train tickets cannot be bought onboard the trains(!)*

From Hotel to Venue

From St. George, take the tram 3 or 6 from Erottaja (0802), and get off at *Hietalahdentori (0808)* (tram 6), or *Eira (0443)* (tram 3). There is a 15-minute walk to the venue. Closest bus stop to the event venue is *Matalasalmenkuja (ID 1190)*.
